## PRINCIPAL’S REPORT

**Dear Parents and Carers**

### Lock Down Ended

It has been a few weeks of changing situations due to the COVID outbreak.

The announcement yesterday brought some good news in that regional areas have had restrictions lifted and that students and staff would all be able to come back on site as of today. I once again extend my thanks to parents for your flexibility and also to our staff who have to prepare for remote learning only to turn around two days later to be able to deliver learning on-site. Well done to everyone. Let’s hope term 3 doesn’t bring any more snap lock-downs.

### Campers

A big well done to all of our campers and camp staff. The activities on school camps provide a lot of fun and learning away from the classroom environment. Some of the biggest lessons that are learned are simply the life skills that it requires for children to be away from their home, sharing camp accommodation, sleeping in a strange bed, looking after belongings, learning to get along with others 24/7, overcoming challenges and getting to see what their teachers look like at 7.00am in the morning after very little sleep!! Well done all of our students for taking yourselves out of your comfort zone and also to our staff members who leave their own families behind for a few days to ensure our students have a positive camp experience.

## **Prep Information Night and Transition Sessions**

Unfortunately due to the COVID regulations, we are unable to hold information nights, tours or transition programs until further notice. Please advise any families you are aware of who may have Prep students attending Drouin South Primary School in 2022. We will endeavour to keep everyone informed.

## **Soccer Team**

Good luck to our soccer team who will be participating in an interschool match next Wednesday at Bellbird Park Drouin. This team won their recent matches in the Tarago cluster interschool events and will go on to play the winner from the Warragul schools cluster. The Warragul match will be decided this Friday.

### ***Change of clothes***

**Especially with the wet weather, it is a great idea to keep a change of clothes in a plastic bag in your child's school bag.**

### ***Donations of unwanted school pants***

**If your child has grown out of their school pants, we would love to have them donated to the school to use! Please drop them off at the office.**

**Thank you!**

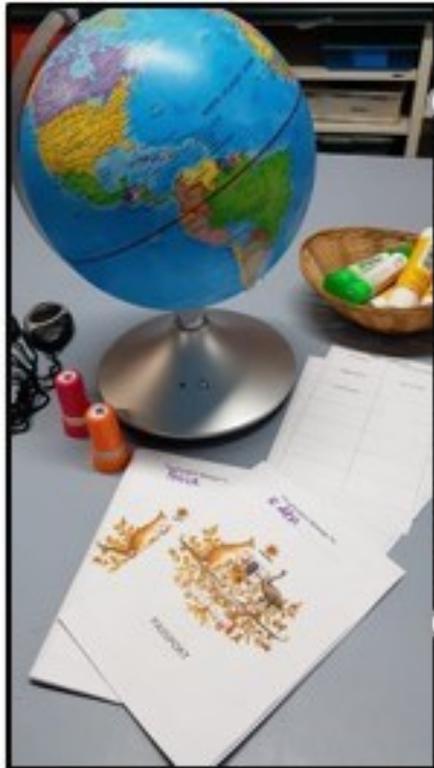

# The Olympics

Over the past two weeks at OSHC, the children have been investigating and participating in a range of Olympic themed activities and experiences.

Upon presenting their individual passports to board flight OSHC each afternoon, the children have flown to many countries around the world where they have been able to participate in many diverse activities and experiences associated with different countries and cultures. Some of these have included the children painting and learning about the Olympic flag and what each of its coloured rings symbolise, designing obstacle courses to compete in and learning about time and personal best (PBs), investigating coins from all around the world, learning how to say "hello" in various languages, craft making, and competing in a series of mini Olympic challenges.
