

Dear Parent/Guardian of

Drouin South Primary School is looking forward to a great year of teaching and learning next year and would like to advise you of Drouin South Primary School voluntary contributions arrangements for 2025.

Government Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time.

This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of Art, STEM, AUSLAN, Library and Physical Education equipment and resources, which supports these programs along with classroom teaching of the established subjects such as Reading, Writing and Maths.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Department of Education guidelines now mandate that schools are **UNABLE** to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule attached. Please note the suggested voluntary financial contributions schedule for 2025, includes an overview of what your contributions will help us to provide.

Drouin South Primary School Council would like to invite parents make a one off contribution which includes the purchase of items that the school recommends you purchase for your child's individual use. These items will then be in classrooms ready for the first school day of 2025.

If parents choose to provide equivalent materials themselves, please do so in consultation with the school, as items should meet the specifications and be aligned with the requirements for each year level. (copy attached)

Yours sincerely
