

DSPS Delivery Service@ Farm World

2018

A huge thank you to all of this year's Delivery Service volunteers. **Together we served over 1100 customers and moved over 2300 parcels.** A great effort was made by everyone, we all pulled together over the 4 days with sunshine, rain and mud all making an appearance. With the event falling in the school holidays again this year, it was a challenge to meet our volunteer target. However we ended up with a wonderful combination of seasoned Farm-Worlders and many new faces, who all worked hard—many across multiple shifts—for the benefit of our kids and in building our school community.

We can't forget the many friends and family in the background who looked after our children so that our volunteers were free to work. And of course the marvellous goodies cooked by our school families and the delicious sandwiches prepared by Susie Williames which kept volunteers fed and happy during the 4 days.

A special note of appreciation goes to Denise Palmer, Kelvin and Delma Marriott for many years of service at the helm of the Farm World Committee. Having now handed over the reigns we are assured they will be around in an

“advisory capacity” next year!

Over the page is a list of all of our 2018 Delivery Service Legends

Thanks again for your hard work and for giving up your time to benefit Drouin South Primary School.
