Farm World Volunteer Form
Bus Captain
Each year new bus captains are appointed for the Drouin school bus and this year we are congratulating Tyra and Tarkyn.

Bullying survey
A bullying survey is undertaken each year and students in grade 4-6 are asked a variety of questions relating to bullying and safety in the yard. Data has been kept over the years and I am very pleased to report that this year’s data shows the lowest amount of bullies and the lowest amount of times a bully is named. The survey also indicates where students feel unsafe in the yard or where they have seen things happening in the yard.

In the senior assembly yesterday students were told which areas they had nominated as unsafe and were asked to come up with strategies to make them safer. We will also be working with students who others feel are bullies so as they realise the impact that they have on peers.

Junior School Sports
The Prep to grade 2 students will have their school sports on Tuesday 10th March from 2.15 to 3.15pm. Children are most welcome to wear their house colours however no coloured hair spray or make-up please. The running races for the Prep—2 students will take place on Wednesday 11th in the afternoon.

Senior School Sports and whole School Sprints
The students in grades 3-6 will have their athletic events in the morning of Wednesday 11th March and then the whole school running events will be held in the afternoon from 1.20pm. Students can wear their house colours on the day however no hair colour or make-up is to be worn.

Badge Presentation Assembly
It was wonderful to see so many families at assembly yesterday for the Badge presentation. We now have all positions in place.

School Council Elections
We now have one vacancy on School Council in the Parent section. If you are interested please let me know.

Farm World Dates
Farm World will be on 26th—29th March 2015. Drouin South Primary School will once again be running the delivery service. Please keep these dates free to assist.

Bulb Fundraiser
Please return completed bulb orders by 6th March.
Chaplaincy
Thank you to all those families who have returned their signed permission forms for the Chaplaincy program. If you would like to give permission for your child to see the Chaplain additional forms are available at the office.

Email
If you would like to receive this newsletter by email each week with full colour photographs, please give the office your email details.

~KidsMatter Team~
~Bus Captains~
We have started the Kidsmatter initiative off with the launch of this term’s theme “Every Face has a Place”. In art lessons all students have drawn their face for inclusion in a display, which is now hanging in the senior corridor.
Each classroom has also carried on this theme with displays on their classroom doors or in their rooms. We are all part of the Drouin South education community.
Farmworld 2015 is only **4 weeks** away. The dates for this year's event are **26 - 29 March** and it is now time to put together our volunteer team. Volunteer forms and an information sheet providing more details about our Delivery Service are included with this week’s newsletter (additional copies are available for the office if you need further copies). The Delivery Service that DSPS provides at Farmworld is our largest fundraiser for the year and is worth **a massive $10,000** to our school. To make this event a success we aim to have **at least 80** volunteers for the weekend so please consider if you are able to help out or if you have any friends or family members who would be able to assist. This year Lardner Park has built a purpose built shed to be used for all aspects of the Delivery Service and we will all be located in one spot. This is expected to streamline our operations and the utilisation of our volunteers. If you need any more information about volunteering please contact Denise Palmer on 0419 120 891.

**What's Happening in O.S.H.C**

Over the past two weeks some of the children at OSHC have been very busy in collaborating their thoughts and ideas on how to enter this years Victorian Multicultural Commission’s Primary School Art Competition. The theme this year is "Strengthening the Community" and this needed to be displayed in their art work either on an A4 or A3 piece of paper. We entered some very colourful and detailed works of art that really expressed this theme. We wish all of our contestants the very best and we will find out late March of how they have gone with their entries.

Last week the children at OSHC welcomed the Chinese New Year with many activities linking to this cultural event. If you walk into the Art room/OSHC at some stage you will see our beautiful red lanterns which are said to bring in good luck!
Jada Allstars is a strong and proud club with strong family foundations and values. Our training sessions build strength, team skills, confidence and flexibility. We offer both competitive cheerleading with 5 corps in 2015! As well as recreational cheerleading classes for beginners or those that don't wish to compete.

Call us for enrolments or an info pack.
