**Principal’s Report**

**Parent Teacher Discussions**
Parent teacher discussions will take place on Monday 23rd March. Please contact the office if you would like an appointment to see your child's teacher.

**Athletics**
The winning house for the 2015 Drouin South Athletics Sport was Green House. Please see the article in this newsletter for age level results and winners of the age level champions.

**Car Park**
Thank you to the parents who have repainted the lines in the front car park. This has made it easier to see the parking bays and also the areas that cars are not allowed to park in. Thank you Sjaan Moore for organising this.

**Harmony Day**
It was great to see so many students and staff joining in Harmony Day celebrations. Harmony Day is a day that is set aside to celebrate Australia's diversity. The Junior School Council decided that they would celebrate it with a dress up day and a picnic on the oval.

**KidsMatter Training**
The 2015 KidsMatter team had their training day today. The team will be working through many activities that will assist with the work they will be doing this year. Thank you Lea Naismith for setting this up and training the team. Thank you also to Denise Palmer, Belinda King and Sjaan Moore who have volunteered to assist during the day.

**Late to school**
Thank you to all those families who ensure their children are at school on time every day. If students are continually late they miss out on the most important part of each day. During the first session each teacher sets the day up for the students they then quickly move into the reading block. If your child is late this means that they are missing vital parts of their education. Please ensure your children are at school on time every day.
Mural
The Parents for Fundraising are putting this years fundraising to improving the toilet block for our students. This first part of this project is a mural that will go right around the building. This will commence shortly. We will also be updating the inside of the toilet with a self flushing urinal, painting and general maintenance repairs.

Farm World Dates
Farm World will be on 26th—29th March 2015. Drouin South Primary School will once again be running the delivery service. Please keep these dates free to assist.

Email
If you would like to receive this newsletter by email each week with full colour photographs, please give the office your email details.

O.S.H.C Updates

3 Strike Policy: OSHC has now introduced a 3 strike policy for parents who do not call or notify OSHC if their child / children no longer requires care. We have had an alarming rate of parents who have not called to cancel, walked their children out of school without informing us or are leaving it until the very last minute to communicate with us. Your late cancellations could potentially stop another family from booking their child into care.

Our 3 strike policy works by sending home a warning notification twice, and then the third time the parent will be charged a full fee for their third missed session. We ask that you please cancel your Before School Care session 6pm the night before & After School Care no later than 12pm midday, the day of.

If you require bookings or have any questions please contact Casey.

New Enrolment Forms: Next term OSHC will be sending home new enrolment forms to all families. The NQF has updated the terminology and areas of the document and this requires all children's services to have their families re enter their child's information. These are mandatory for OSHC and they are essential for the care of your children. Details will be attached to your forms, providing families with all necessary information.

If you need help completing them or have any questions please contact Casey at OSHC.

Slices & Biscuits needed!

We are looking for donations of delicious, homemade slices and biscuits for our hard-working volunteers to enjoy while working at Farmworld! If you can assist, please leave your biscuits and slices in the school canteen from next Wednesday. If you have any queries please contact Belinda King on 0427 822871.

Delivery Service at Farmworld
More Volunteers Urgently Needed!

We only have 6 days until Farmworld 2015 starts and at this stage we only have 53 volunteers registered to help. This event is worth a massive $10,000 to our school and we need a lot more volunteers to make it a success. If you have not volunteered before you can be assured that DSPS has been providing this service at Farmworld for over 13 years and have developed a system and have experienced supervisors to give instruction and assistance to all volunteers. It can also be a lot of fun!

We have a particular need for more volunteers for the Sunday and also for the Thursday and Friday afternoon shifts.

As our major fundraiser, this event is particularly important to our school, it doesn’t require our families to dip into their pockets, just provide some of their time. Thankyou to the people who have already committed to help. If you have already volunteered, your volunteer pack containing your ticket(s), map and other information will be sent home with your child on Monday or Tuesday.

If you are able to volunteer you time or have any family members/ friends who could assist, please return to volunteer form to the school ASAP. Alternatively, contact Denise Palmer on 0419 120 891 if you require any further information or wish to discuss your availability. Additional volunteer forms are available from the office, school website, or give us a call and we can email one to you.

PLEASE HELP- WE CAN’S DO THIS WITHOUT THE HELP OF OUR WHOLE SCHOOL COMMUNITY.
