Term 2
Term 2 starts on Monday 13th April at 9.00am.

Athletics
The District Athletics have been postponed until Thursday 16th April which is week one of Term 2.

Smoking Bans
From April 13th the first day of Term 2, smoking will be banned within four metres of an entrance to all primary and secondary schools in Victoria, and within the school grounds, under an amendment to the Tobacco Act 1987. Given the fact that we have so many entrances to our school the 4 metre rule applies to the car park areas of the school. New signs will be placed around the school, particularly at main school entrances reminding adults of the new bans. Officers from councils will be responsible for enforcing bans, and will initially take an education approach, making sure smokers understand the new laws. However, an infringement penalty of $147 could apply to adults caught wilfully breaking the law. Council officers have been given power to enter school premises to monitor and enforce the ban.

Farm World Dates
The Farm World Delivery Service started yesterday and the day ran smoothly. The new set up with a permanent structure is working well. Thank you to all our volunteers who are assisting to make this event run so smoothly. It will be a full weekend for all our volunteers.

Email
If you would like to receive this newsletter by email each week with full colour photographs, please give the office your email details.

Judy Ingamells - Principal
First Day At Farmworld

We had an awesome first day at Farmworld 2015! Thank you to all the fantastic parents/friends of our school who have volunteered for our Delivery Service at Farmworld 2015. Our new shed and arrangements are working very well and we had a fantastic day yesterday with all volunteers putting in a superb effort and in great spirits. Thanks also to the very yummy goodies contributed by our families!. Hopefully all volunteers for the weekend have their ticket pack and information already, but if anyone does not could they please call Denise Palmer on 0418 120 891.

KidsMatter

Last Friday 15 students received a full day of training in the KidsMatter student program. This enabled students to have a better understanding of what to do in a conflict, and to practice a number of effective ways to deal with difficulties. These 15 students will now be able to assist the school to make happy and safe choices in the yard and in the classroom by performing plays at assembly, awarding the upstander of the week award and providing classrooms with practical skills and activities to help students make safe choices when working with others. Thankyou so much to many parents, teachers and students who have already volunteered their time to support our whole school welfare initiative.

Book Fair

We will be having our first Book Fair for the year early next term - Wednesday 6th May to Friday 8th May. More information about this event will be sent home early next term.

Attention All Parents

We have a huge number of un-named clothing in lost property from Term 1. Over the holidays please name all student uniforms. This will ensure lost property can be returned to their rightful owners.
3 Strike Policy: OSHC has now introduced a 3 strike policy for parents who do not call or notify OSHC if their child / children no longer requires care. We have had an alarming rate of parents who have not called to cancel, walked their children out of school without informing us or are leaving it until the very last minute to communicate with us.

*Your late cancellations could potentially stop another family from booking their child into care.*

Our 3 strike policy works by sending home a warning notification twice, and then the third time the parent will be charged a full fee for their third missed session. We ask that you please cancel your Before School Care session 6pm the night before & After School Care no later than 12pm midday, the day of.

*If you require bookings or have any questions please contact Casey.*

New Enrolment Forms: Next term OSHC will be sending home new enrolment forms to all families. The NQF has updated the terminology and areas of the document and this requires all children's services to have their families re enter their child's information. These are mandatory for OSHC and they are essential for the care of your children.

Details will be attached to your forms, providing families with all necessary information.

*If you need help competing them or have any questions please contact Casey at OSHC.*
Thank you to everyone who supported the ‘Bulb Fundraiser’ and the ‘Hot Cross Bun Drive’. Together we raised just under $600 for the 2 events. Happy eating and planting!

The ‘Mothers Day Stall’ will be held again this year on **Wednesday the 29th April**. Mark the date on your calendar! More details to follow in the first week of Term 2.
